Kensington Publishing, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. From their towering westerns to their edgy thrillers Home Invasion and The Blood of Patriots, William W. Johnstone and J.A. Johnstone capture the true American spirit. In this electrifying new thriller--torn from today's headlines--they put us on the frontlines of a new war: for the future of America itself. The Shady Hill Mobile Home Park isn't shady or hilly--this is West Texas after all. To military vet John Howard Stark, it's home. And worth fighting for. A vicious Mexican drug cartel starts terrorizing the residents of Shady Hill--retirees mostly--leaving severed heads in vegetable gardens to scare them out. As usual, the Feds and the local police run for cover. The good people of Shady Hill make a stand, electing Stark as their chief of police. Once a rancher, always a Texan, Stark and his fellow patriots send the Mexican cartel into a bloodthirsty fury by daring to fight back: the bad guys start slaughtering innocent high school students. The God-fearing folks of Shady Hill are totally on their own and deep in the heart of a bloody battle that can only end in a fight for survival, liberty...or death.
