Createspace, United States, 2010. Paperback. Book Condition: New. 249 x 198 mm. Language: English . Brand New Book ***** Print on Demand *****.How well is your job search going? Not getting the results you d like? If you re a midlife jobseeker, you re probably fed up with being passed over-watching the jobs go to younger, less experienced candidates. Yet what if you could learn a few simple, yet powerful job search techniques that would change all of that? What if you could get the skills to successfully navigate the market of today and maximize your chances for landing your next position-and, better yet, find work you will actually enjoy? If you think that s unlikely to happen for you, think again. LAND THE JOB YOU LOVE will act as your very own career counselor/outplacement coach (minus the time and expense) and provide you with the critical tools and dynamic methods of approach that will help you land that job you ve been looking for! Updated and expanded in 2014, LAND THE JOB YOU LOVE boasts a new look as well as 14 additional pages of cutting-edge information and proven strategies that will give you the edge over the competition and help you turn your age into an advantage. Rather than spending hundreds of dollars on counselors and classes, LAND THE JOB YOU LOVE will serve as your go-to, comprehensive guide for all of the information you ll need for job search success: how to highlight your strengths to best advantage, present yourself with skill and confidence, and make that all-important winning impression in person and on your resume. Each strategy comes with insider tips and action steps where you will simply fill in the blanks and clearly lay out your goals. The critical tips you will learn: The #1...
