Ecco, New York, New York, U.S.A., 2002. Hardcover. Condition: New. Dust Jacket Condition: New. 535 pages. From Booklist: British writer Barker's offbeat novel about Wesley, a feral man with weird, charismatic powers, and his scruffy and fanatic followers ushers readers into a flagrantly peculiar, topsy-turvy realm. As Wesley wanders the countryside, leading the entranced public on an elaborate treasure hunt that has already claimed a boy's life, the Behindlings, misfits of various ages and maladies, obsess about every detail of his life and track his every move on an avidly consulted Web site. The seductive Wesley is either diabolically cruel and manipulative, or suffering from a massive guilt trip over causing his brother's death, and Jo Bean, an enigmatic nurse, has a unique opportunity to determine which it is after she joins the eccentric ranks of the Behindlings on the island of Canvey. Soon the entire community is involved, from Ted, the foppish real-estate agent, to Eileen, the sexy librarian, to the carpenter, Dewi, and the love of his life, his outrageous neighbor Katharine, who is also the target of Wesley's most vicious machinations. Banter-filled, wry, and slightly otherworldly, Barker's earthy, inventive, hilarious, and wickedly satirical novel is enormously entertaining. Donna Seaman Copyright American Library Association. All rights reserved Book Description Spurting with kinetic energy, nasty wit, and kindness to animals, Wesley ought to be a star. They skulk through the dreary streets of their tiny English town, gathering their own scabby intentions, irritating habits, and weird manners, burying all differences in the common pursuit of their true prize, their Wesley. In Behindlings, the inimitable and ungovernable Nicola Barker takes her most compelling character...
