Excerpt from The Chinese Question: By the One Who Has Found a Home in China for Nearly 20 Years, and Claims to Know the People The Chinese were partial to Americans because we did not. Force the Opium curse upon them. The trade of that rich country is yet to be developed. We might have had a large share in the development of its mines, railroads, c., which is sure soon to come. But as we are now doing, we are not only blocking the way of the Missionary in China, but manufacturing a sentiment there against us. In this, too, we will reap as we have sown.
