Reviews

It is one of the most popular ebooks. I have studied it and I am certain that I am going to likely read it again and again in the future. I am happy to inform you that this is actually the greatest ebook I actually have studied in my very own life and might be the best ebook for possibly.

Whether as a class text assigned by faculty or as a self-study resource used by students, this book will resonate with readers - Doug Leigh, Associate Professor of Education Pepperdine University. Writing a dissertation requires focus and commitment. The Education Dissertation provides a step-by-step process for developing and completing an academically rigorous dissertation in a time-efficient manner. Written for doctoral students in education who are also currently working in the field, this book provides specific and accessible guidance for the entire process, from finding a topic to conducting the literature review to writing and defending the dissertation. Grounded in adult learning theory, this volume offers a clear, easy-to-follow approach that highlights key milestones with concrete goals and workable methods at each step. It discusses how practitioner scholars can apply their work experience to the dissertation. It includes organizational templates complete with detailed charts, checklists, a timeline, student examples, and rubrics. It provides tips throughout to help students think through situations. It covers both quantitative and qualitative research Perfect for practicing educators at any stage of the dissertation process, this resource provides the big picture framework as well as the nitty-gritty details.
