Epidemiology for Health Promotion and Disease Prevention Professionals (Paperback)

By Richard E. Miller

Taylor Francis Inc, United States, 2002. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Combine a working knowledge of epidemiology to your health and medical skills! Every day, health promotion and disease prevention professionals interact with epidemiologists during the course of their practices. Investigations into the causes, distribution, and control of disease provide practitioners in the public and allied health fields with findings essential to dealing with patients and clients. This ongoing collaboration makes the need for communication through a common body of knowledge a matter of life--and death. Epidemiology for Health Promotion and Disease Prevention Professionals presents you and your students with practical applications that incorporate up-to-date epidemiological findings into health promotion and disease prevention concepts. The book establishes an operational understanding not only for students in the public health, nursing, medicine, and environmental health fields, but also for future and current health and patient educators, fitness and exercise science specialists, and athletic and personal trainers. This comprehensive textbook includes a step-by-step guide to the epidemiological process, including surveillance and investigation, how studies and trials are conducted (and...
