

The Color of Pain: Boys Who Are Sexually Abused and the Men They Become (Paperback)

Filesize: 3.44 MB

Reviews

A really awesome ebook with perfect and lucid reasons. Indeed, it is engage in, still an amazing and interesting literature. I am just very easily could possibly get a satisfaction of reading a composed publication.

Lighthouse Trails Publishing, 2011. Paperback. Condition: New. Language: English . Brand New Book. One in every six boys is sexually abused. That's just the ones who eventually tell their secret. The Color of Pain speaks to the professionals, pastors, and loved ones as well as to the boys and men who were abused. And who better to write a book like this than one of the victims who has lived the pain and later experienced the healing through Christ. The Color of Pain is a combination of some of the facts that most don't think about and some of the pain that most won't talk about. Whether you are one of the abused or someone who knows someone abused, this book is a moving and necessary read. I belong to a company of men and boys, mostly silent and scared. So few have survived well enough to talk about it. I know I have to talk, because I DID survive, and because I see them in every group I meet, from five to seventy-years-old suffering, silent victims who are not really considered REAL victims by many, since the male species, in their minds, should be able to fend off any abuse. No matter how little they were. No one really defends boy and men victims. So we've stayed silent. Wouldn't you? Gregory Reid, The Color of Pain.
