Brand New Book ***** Print on Demand *****.Songs of Innocence and of Experience is an illustrated collection of poems by William Blake. It appeared in two phases. A few first copies were printed and illuminated by William Blake himself in 1789; five years later he bound these poems with a set of new poems in a volume titled Songs of Innocence and of Experience Showing the Two Contrary States of the Human Soul. Innocence and Experience are definitions of consciousness that rethink Milton's existential-mythic states of Paradise and the Fall. Blake's categories are modes of perception that tend to coordinate with a chronology that would become standard in Romanticism: childhood is a state of protected innocence rather than original sin, but not immune to the fallen world and its institutions. This world sometimes impinges on childhood itself, and in any event becomes known through experience, a state of being marked by the loss of childhood vitality, by fear and inhibition, by social and political corruption, and by the manifold oppression of Church, State, and the ruling classes. The volume's Contrary States are sometimes signalled by patently repeated or contrasted titles: in Innocence, Infant Joy, in Experience, Infant Sorrow; in Innocence, The Lamb, in Experience, The Fly and The Tyger. The stark simplicity of poems such as The Chimney Sweeper and The Little Black Boy display Blake's acute sensibility to the realities of poverty and exploitation that accompanied the dark satanic mills of the Industrial Revolution .
