Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.For three decades, Imperial Spain attempted to annex this new land of La Florida to its rapidly growing New World empire. Neither Juan Ponce de Leon, Lucas Vasquez de Ayllon, Panfilo de Narvaez nor the honored conquistador Hernando de Soto would succeed. Where Spain ultimately faltered was in failing to recognize the unrelenting opposition of North America s Indians to this Spanish invasion of their homeland. In this region were no empires centrally controlled by a godlike emperor as found among the Aztec of Mexico and Inca of Peru. In its stead, Spain found well organized chiefdoms held together by strong bonds of family, kinship and culture - a blend of customs that Spanish armies could not conquer. La Florida: Imperial Spain Invades Indian Chiefdoms of North America seeks to fill-in those lost decades with extraordinary tales of world changing events not commonly recounted in popular media: Spaniards, the first Europeans to travel inland into North America, a location recorded on maps for almost two centuries as Spanish Florida; the first contact between southern American Indian tribes and Spanish conquistadors; and (unlike the Aztec and Inca) the southeastern Indians intrepid resistance to this invasion that prevented imperial Spain from establishing permanent colonies. It is this last event that left the door open to a different future for the yet to be United States of America, after England and France arrive. Who were these world-changing conquistadors of the sixteenth-century? What motivated Spain to be in the Americas at this particular time? How did Spain so quickly conquer the Caribbean Islands, Mexico and Central America, and yet, fail to conquer the Indian chiefdoms of North America? In...
