Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. About Goddess Unchained Heather takes a very personal journey and conveys it in a way that captivates and brings all phases of growth into a genuine exploration of self. She profoundly captures the essence of that pilgrimage that all people go through. Women, men, and young people will feel the emotional range from frustration to liberation. From beginning to end, this is more than a collection of poetry. This is a glimpse into one poet s exploration that we all can relate to. Author s Note: In my opinion, it is the poet s calling, indeed the artist s calling to bleed their process all over their particular canvases; pretty or not. In sometimes bold acts of shameless self-revelation, poems can be cathartic and purifying if their job is done well. They can allow us opportunities to see ourselves in their lines; awakening possibilities and changing perspectives. They are resonant frequencies that tell us we are not alone with thoughts and feelings we may have hidden in shame and give us the courage to allow our True Selves out into daylight. I have divided this volume into six sections, each outlining a different phase of growth, struggle and emergence; with the intention that many will recognize and retrieve pieces of themselves within. Let us meet here in these lines, share our journeys and heal.
