Modern policies regarding immigration tends to lean in favor of the immigrant. This possibly comes from the fact that Hispanic immigrants often vote heavily in favor of Democrats, therefore Democrats have established policy that makes it easier for illegal immigrants to remain in the country. One of these policies allows for immigrant families to remain in the US if their child or children were born in the country. These children are referred to as anchor babies. Another is amnesty, a policy that pardons individuals for breaking immigration laws under certain circumstances. However, the impact of immigration on US society is not always beneficial. Many immigrants take advantage of welfare and federal assistance programs to support their families. PLEASE NOTE: This is key takeaways and analysis of the book and NOT the original book. Inside this Instaread Key Takeaways Analysis of Adios, America- Overview of book - Introduction to the Important People in the book - Key Takeaways and Analysis of Key Takeaways.
