

The Child and Childhood in Folk-Thought (the Child in Primitive Culture) (Classic Reprint)

By Alexander Francis Chamberlain

Forgotten Books. Paperback. Condition: New. This item is printed on demand. 480 pages. Dimensions: 9.0in. x 6.0in. x 1.0in. Excerpt from The Child and Childhood in Folk-Thought (the Child in Primitive Culture) The present volume is an elaboration and amplification of lectures on The Child in Folk-Thought, delivered by the writer at the summer school held at Clark University in 1894. In connection with the interesting topic of Child-Study which now engages so much the attention of teachers and parents, an attempt is here made to indicate some of the chief child-activities among primitive peoples and to point out in some respects their survivals in the social institutions and culture-movements of to-day. The point of view to be kept in mind is the child and what he has done, or is said to have done, in all ages and among all races of men. For all statements and citations references are given, and the writer has made every effort to place himself in the position of those whose opinion he records, - receiving and reporting without distortion or alteration. He begs to return to his colleagues in the University, especially to its distinguished president, the genius of the movement for Child-Study in...
