INVESTING FOR BEGINNERS: DEFINITIVE GUIDE FOR NEWBIES (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Start building the future you deserve! Current studies show that in order to retire successfully, a person in their early thirties is going to need to bank nearly 1 million dollars by the time they are 65 if they hope to retire instead of working until the day they die. The importance of this statistic is compounded by the fact that nearly two-thirds of those in this age group are still living paycheck to paycheck. If you are looking for a way to start reliably saving what you need to in order to have the life you have always dreamed of then Investing for Beginners: Definitive Guide for Newbies is the book you have been waiting for. Inside you will find not only all of the basics you need to understand in order to start investing successfully in both the short and the long term, but also plenty of specific advice when it comes to investing in the stock market, investing in options, investing in bonds and investing in the forex market. A major part of any investment strategy is research and that research starts right here, right now. So, what are you waiting for? Stop living paycheck to paycheck and start investing in your future, buy this book today! If you are looking to dive into the exciting- but oft misunderstood- world of Investing, this is the book you need! It is guaranteed to make you money. There is no fluff in this book- just pure profit. So, what are you waiting for? Buy this book today and start saving for your future, you and your bank account will be glad you did! Inside you will find The most...
