PLON, 2018. Paperback. Condition: NEUF. A la radio à France-Inter, ainsi qu'à la télé, avec les émissions 'Pop 2', et 'Les Enfants du Rock', Patrice Blanc-Francard en a éveillé plus d'un à la musique, au carrefour des années 80. Aujourd'hui, il ouvre les portes de son jardin secret, le Jazz : "Déambuler avec passion dans le Jazz, ce paradis privé, est l'un de mes grands bonheurs. Mais la musique est assurément un art mystérieux. Et les codes de certaines formes de Jazz peuvent parfois sembler incompréhensibles, si l'on ne s'arme pas d'une certaine forme de curiosité, qui est je crois le meilleur défaut du monde. C'est pourquoi, avec cette soixantaine de récits de vies de musiciens (et musiciennes !), de lieux, d'évènements, de disques cultes, j'ai voulu aborder autrement cette musique, le Jazz, passion de toute ma vie, et faire de ce Dictionnaire amoureux une collection d'aventures, de destins, pour ne pas dire de légendes, qui font la très riche histoire de cette musique." - Nombre de page(s) : 636 - Poids : 690g - Genre : Musique DICTONNAIRE AMOUREUX.
