A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where it basically altered me, changing the way I believe.

Partridge Singapore, 2014. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The themes of money, power, fame, and love are universal in humanity, regardless of race, or religion, or class. Whether we examine the lives of the rich or the poor, the powerful or the ordinary, the famous or the unknown, these topics crop up again and again. What s more, most ordinary people believed that the rich, famous, and powerful lived easier lives. History tells us, however, that this is not frequently the case. In Money, Power, and Fame in Astrology, author Au Yong Chee Tuck considers this notion by examining the birth charts of several well-known people using the elements of Chinese astrology and relating them to the events of their lives. Au Yong presented the lives and charts of figures as diverse as musician Xavier Cugat, actress Shirley MacLaine, and politician Adolf Hitler. His collection offered a detailed survey of the struggles and achievements in their lives and how astrology aided or hindered them along with astrological charts for each person.
