Reviews

Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Granite Monthly, Vol. 40: A New Hampshire Magazine, Devoted to History, Biography, Literature and State Progress There lies before me as I write one Of the most beautiful testimonials I have ever seen. It is the work of love and art - an illuminated copy of the resolutions adopted by the school board of San Francisco on her retire ment from service. In forty years only one other teacher was similarly rewarded. After her death there came to her eastern home a touching letter of sympathy, appreciation and love, signed by the principal and the eight een teachers of the Girls High School of San Francisco, and with it a wreath of exquisite beauty for her grave.
