Brand New Book ***** Print on Demand *****.Available for the first time as a complete edition, the acclaimed Dark Phase and its worthy sequel, Dark Phase: Repatriation and the final book, Dark Phase: Factions. The Dark Phase universe has been described as compelling and thought provoking. Furthermore the series has often been compared to the works of Asimov in its exploration of the future possibilities of artificial intelligence. The evolution of life in all its forms and the delicate balance of nature are themes prevalent in an emotionally engaging and vivid tale of what if ? Synopsis - Sarazen is a silicant, an android existing in a highly organised and rigid society where individuals are designed to perform unique functions. Created and maintained by The Mother, each silicant coexists in harmony to pursue their primary function, the protection of the primitive organic creatures with whom they share their world. Sarazen, a career troubleshooter is called to examine a rogue named Cole with orders to fix his malfunction or send him for renewal , but Cole is unlike any silicant Sarazen has yet encountered. Cole...
