Createspace, United States, 2012. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.After being single for years, I entered fatherhood. Fatherhood is a unique experience, the father changes his whole way of looking at the world. He must learn many things, that he never considered before. Like how to bake cookies and how to be on time for soccer games. You have received advice from your Mother, your Aunts, your Girlfriends, Yahda, Yahda, Yahda. That s fine you learned lots of things. But have you ever noticed that the most successful women, either by having a loving marriage, doing good in business, or just having a happy life usually had a father that not only took an interest in their future, but more important the daughter paid attention to what their father was trying to teach them. In this book I have attempted to touch on uncommon knowledge about boys, your physical and mental health, food, work, investing, and your own personal Horoscope for the rest of your LIFE. KLEP 2012.
