

After Enlightenment: Hamann as Post-secular Visionary (Hardback)

Filesize: 1.93 MB

Reviews

An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).

(Nannie Lindgren Jr.)

John Wiley and Sons Ltd, United Kingdom, 2008. Hardback. Condition: New. Language: English . Brand New Book. After Enlightenment: Hamann as Post-Secular Visionary is a comprehensive introduction to the life and works of eighteenth-century German philosopher, J. G. Hamann, the founding father of what has come to be known as Radical Orthodoxy. Provides a long-overdue, comprehensive introduction to Hamann's fascinating life and controversial works, including his role as a friend and critic of Kant and some of the most renowned German intellectuals of the age. Features substantial new translations of the most important passages from across Hamann's writings, some of which have never been translated into English. Examines Hamann's highly original views on a range of topics, including faith, reason, revelation, Christianity, biblical exegesis, Socrates, theological aesthetics, language, sexuality, religion, politics, and the relationship between Judaism and Christianity. Presents Hamann as the founding father of a distinctly post-modern, post-secular theology and, as such, as an alternative to the postmodern triumvirate of Nietzsche, Heidegger, and Derrida. Considers Hamann's work as a touchstone of modern Jewish-Christian dialogue, in view of debates with his friend Moses Mendelssohn. Explores Hamann's role as the visionary founder of a metacritical movement that radically calls into question the basic principles of modern secular reason, and thus reprises the debate between those defending Hamann's views and those labeling him the bete noir of the Enlightenment.
