By Kenneth Hite

Bloomsbury Publishing PLC, United Kingdom, 2013. Paperback. Condition: New. Darren Tan (illustrator). Language: English . Brand New Book. In the dark dungeons beneath Nazi Germany, teams of occult experts delved into ancient and forbidden lore, searching for lost secrets of power. This book tells the complete history of the Nazi occult programs, from their quests for the Ark of the Covenant, the Spear of Destiny, and the Holy Grail, through their experiments with lycanthrope and zero-point energy. It also includes information on the shadow war fought in the dying days of the Reich as the Nazis deployed strange flying saucers that battled to save their final stronghold in the Antarctic. For years, the Allied governments worked to keep this information from reaching the public, and sought to discredit those few who dared to seek the truth. Now, using a combination of photography and artwork reconstructions, the true story of the most secret battles of World War II can finally be told.
