God of the Universe (Paperback)

By L Charles Arnold Jr

WestBow Press, United States, 2015. Paperback. Condition: New. Reprint. Language: English . Brand New Book ***** Print on Demand *****.Science fiction stories have resulted in the creation of technological advancements. They have also borrowed philosophical concepts from various belief systems and, in some cases, resulted in the establishment of new belief systems. These belief systems attempt to direct many from Christianity and other established belief systems. Using philosophical and scientific logic as well as mathematical facts, the existence of an intelligent creator can be shown to be not only a fact but an absolute truth and necessity for our existence. This being is God--the Holy Trinity of the Bible--who is beyond our simple-minded abilities to understand until He reveals himself to us. In Genesis and the Gospel of John, God is revealed to us as a triune creator. The Trinity is the Father, who directs all, the Son, who does the Father s will, and the Holy Spirit, who gives life and instruction. According to the scriptures, we are born in sin, as described in Galatians 5:19-21. Also in Galatians 5:22-23, Paul tells us the benefits and attributes of living in obedience to God. What are the implications of this?...

Reviews

Basically no terms to explain. I have read and so i am certain that i will gonna go through once again once more in the future. I realized this ebook from my dad and i encouraged this book to discover.
