By Laura Sheridan

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.We love poetry. We think more people should read poetry. We can't understand why they don't because if they tried it, they'd enjoy it. Pennine Ink is a great way to sample modern poetry. Some poems are funny, others nostalgic or poignant. Most are short. Some are very short. So even if you're the busiest person in the world, you've got time to read at least one or two of these. And let us know what you think - good or bad. Good, we hope. There's an ocean of enjoyment in here. The water's very inviting. Dip your toe in and see.
