THE ADVENTURES OF KARMA CAT: A STORY ABOUT KARMA AND CHAKRAS (PAPERBACK)

Balboa Press, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Karma Cat is always there when you need him! Throughout this story, Karma Cat appears any time children find themselves in a situation where they feel powerless. This book journeys through seven different relatable scenarios. During each scenario, Karma Cat magically appears just in time. Karma Cat knows just how to deliver energy to each child by using the seven chakras. Our chakras are energy centers in the body that, when spinning and open, we feel powerful and balanced. When they are stuck like mud, we have trouble acting and deciding. The stories focus on social issues such as relationships, bullying, self confidence, and danger. It explores dealing with emotions and what to do with those emotions. After reading this book, you may find that you and your child have discovered how to use one of the best kept secrets, which is the utilization of chakra energy. The development of presence, emotional control, and the ability to generate your own inner strength are results to expect after sharing this book with your child. The story begins when Siena is separated from her mommy in a busy store. She feels lost, powerless, and scared. Karma Cat arrives and helps her feel brave enough to call out and find her mommy. The stories continue on with a new student being teased, a difficult playground situation of bullying, sports and perseverance when trying out for a team, stranger danger, and even a little girl s best friend moving away, leaving her alone. Enjoy these stories while discussing experiences your...
