By Jennifer Pelland

Apex Publications. Paperback. Condition: New. 316 pages. Dimensions: 8.9in. x 5.9in. x 0.8in. Celia's body is not her own, but even her conscious mind can barely tell the difference. Living on the cutting edge of biomechanical science was supposed to allow her to lead a normal life in a near-perfect copy of her physical self while awaiting a cure for a rare and deadly genetic disorder. As she begins to strip away the human affectations and inhibitions programmed into her new body, the chasm between the warm pains of flesh-and-blood life and the chilly comfort of the machine begins to deepen. Love, passion, reality, and memory war within Celia's body until she must decide whether to betray old friends or new ones in the choice between human and machine. Don't forget to check out Jennifer's short fiction collection *Unwelcome Bodies* also from Apex Publications! The novel is unrelenting, driven by Pelland's unflinching eye and her absolute willingness to shatter her very vulnerable, not very emotionally resilient protagonist. It's a powerful novel,...

This publication will be worth purchasing. Indeed, it can be enjoyed, still an interesting and amazing literature. I am just happy to inform you that this is basically the best ebook I have got to study within my own lifestyle and may be the very best ebook for ever.

Absolutely among the best books we have ever studied. It is actually written in easy words instead of hard to understand. I found out this publication from my mom and dad encouraged this book to find out.
