

Safe and Clean Care: Infection Prevention and Control for Health and Social Care Students (Paperback)

By Tina Tilmouth

Lantern Publishing Ltd, United Kingdom, 2009. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. Safe and Clean Care is the responsibility of all those working in Health and Social Care and this book will provide much-needed guidance on responsibility, accountability and good practice with respect to infection prevention and control. Whether you are training to work in hospitals, in the community or undertaking client-based care in care homes and other locations, standard infection prevention and control procedures underpin safe practice and this book covers everything you need to know in order to reduce infection risks for you and your clients/patients. This textbook will teach you basic microbiology to help you develop knowledge and understanding of the types of infection you are likely to encounter in the workplace. It will show how infection is spread, contained and how we can control infection through effective personal hygiene, cleaning and waste management. The chapters reference the Skills for Care Knowledge Set on Infection Prevention and Control and the Skills for Health Infection Prevention and Control Competencies. The content is also mapped against other government and Department of Health guidelines and policy, the NMC Essential Skills Clusters and advice published by...
