### **Reviews**

*This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.*

CASCADE BOOKS, 2014. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.With the subject of the atonement of Christ attracting such a lot of polemical work at this time, it is easy to conclude that the current debate is generating more heat than light. Atonement Theories presents the beginning student, pastor, or researcher with an accessible and fair treatment of every school of thought on this subject. Atonement Theories significantly updates previous histories of the doctrine, providing analysis of some fascinating and highly significant recent developments. It also intriguingly highlights at various points where aspects of this central message of Christianity might find a connection within contemporary culture. This book will empower the reader to quickly gain a working knowledge of current debates and the history behind them. Ben Pugh gives us an invaluable contemporary guide to the variety of accounts of the atonement that have been advanced, and a judicious evaluation of them. The reader seeking a map of contemporary atonement theology will find it here; the reader wondering which contemporary accounts are correct, and which are in error, will be challenged and informed by this book. The whole is learned but readable, and a valuable addition to the literature on the atonement. --Stephen R. Holmes, University of St. Andrews, Scotland, UK This book plugs a gap in the recent avalanche of writing about the atonement. In reviewing the origins of various theories of the atonement, including very recent ones, it highlights both the enduring value and provisionality of all such models that grapple with the central truth that Christ died for us. It is a surprisingly informative and accessible survey that is not afraid to question some taken-for-granted assumptions. Its forays into recent popular views give it added value. This will prove a...
