Pepperlip Incorporated. Paperback. Book Condition: New. Paperback. 302 pages. Dimensions: 9.6in. x 6.7in. x 0.7in. This was a fantastic take on the whole mutant human storyline. I love the twist that the Aztec mythology added to everything. With a new surprise around every chapter - the book remained interesting up until the very end. Jasmyn, reviewer, *Bitten by Paranormal Romance* I was quickly drawn into the story easily slipping into the pictures in my mind. The writing sparked a fabulous tableau of images that easily flowed from the authors descriptive words through my minds eye. Mindy, reviewer, *Books, Books, and More Books With A Surefire Way*, Bock provides an epic adventure jam-packed with everything that makes reading a pure pleasure a strong heroine, a cocky hero, super powers, danger, skullduggery and laugh-out-loud humor. Kathy Altman, author of *The Other Soldier* and *Staying at Joes* J. T. Bock has a wickedly funny and charming sense of adventure. Carlene Love Flores, author of *Sidewalk Flower* Colorful as a comic book, Bock mixes action and romance with Aztec mythology in this roller coaster ride of a story. Willa Blair, author of *Highland Healer* UltraAgent Surefires plan is simple: Capture the transhuman thief Raven. Win back the respect of her father. Get a raise. Easy, right Except Surefire just broke the number one rule of her employer, UltraSecurity, a niche security firm that solves crimes committed by genetically enhanced humans like Raven. She trailed Raven into a warehouse without backup. And something more powerful than any transhuman is waiting inside. Ravens plan is simple: Aton for his past crimes. Return stolen spiritual artifacts to restore the worlds balance. Dont get caught by UltraSecurity. Easy, right Until a spunky UltraSecurity agent is suddenly on his tail, although Raven wishes she was on well, never mind he cant..
