ANCESTOR S IDIOMS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. ANCESTOR S IDIOM is a unique artistic collaboration that gives insight to the unspoken knowledge, thoughts, and emotions that our ancestors have experienced through their journey from our True Origins as Creators of new, uncharted territory within all forms of expression to where we are today as paradigm shifters of consciousness and way of sustaining our heritage. The artistry channels the soul messages that some of our ancestor are trying to relay as one unified message through our respective art forms. This is not an Historical account of the Journey of our ancestors but the Internal Unspoken Journey of their souls experience and the evolution of consciousness that they continue to spark within us today from some of their various experiences. Their adversity has made us more determined to move past survival back into our rightful status as Sovereign beings. This series inspires one to contemplate with reverence, the transcendental message of the African and African American and Native American ancestors who ve come before us, and will come again after us, the truth of our history and the need for humanity to transcendence the consciousness of physical, psychological, social, or material enslavement, to again embrace our divine right of choice to self govern is the only way to heal the future generations.
