*Completely among the best pdf I actually have possibly read through. It is probably the most awesome pdf we have read. You wont really feel monotony at whenever you want of your time (that's what catalogs are for about in the event you ask me).

Exploring the Story helps you understand and grasp the significance of each chapter in the The Story, an innovative Bible that presents Scripture as a continuous narrative in chronological order. The big picture of God's redemptive plan comes into focus as you learn about the following elements: Timeline---shows how the events of The Story relate to the rest of history Plot Points---briefly describes the key narrative themes of a passage Cast of Characters---introduces the people featured in the text Chapter Overview---summarizes the corresponding chapter in The Story Discussion Questions---gives ideas for individual or group reflection Section Commentary---presents theological issues, important archaeological discoveries, or launch points for further discussion Small group leaders, pastors, and lay students of the Bible will gain a deeper understanding of God's life-changing redemptive plan by reading this book alongside The Story.
