Reviews

Simply no phrases to clarify. It is really basic but surprises from the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

They should read twelve minutes and four minutes instead of degrees. Acting Director H. C. Wilson of Cincinnati, favors us with the translation of a valuable article from a late number of Ceil et Terre on D ArRest s comet. The ephemerides of this comet have been published for several months past, and astronomers in Europe and America have been deligently searching for it, but without sccess so far as reported. Professor H. A. Howe, University at Denver, Colorado, has been spending some part of his vacation with friends in Chicago. He is industriously pursuing special work in mathematics, as college duties will permit. We are glad to announce that he has kindly consented to review, for the Messenger, any late works on mathematics which publishers or authors may send him. Professor C. E. Pickering was present at a late...
