But only yesterday, her arms full of towels and pillows, Clare realized that it was too soon for her husband's study to become a guest room. First she needed to talk through her anguish and anger at finding him there, slumped over his desk beside the empty vials of pills, finding his folded note that said Clare. A widower finds his stolen car and begins a relationship with the thief; a woman whose sisters levy accusations against their dying father wonders why he chose them, not her; a divorcing couple celebrates a final beach weekend with their closest friends.
