Little Cats Stained Glass Coloring Book

By John Green

Dover Publications Inc., United States, 1991. Paperback. Book Condition: New. 136 x 104 mm. Language: English . Brand New Book. The independent-minded cat has been domesticated for around 5,000 years but in all that time it has held on to its mysterious ways. Here are eight fine examples of modern cat breeds: Spotted Shorthair, Russian Blue, Persian, Japanese Bobtail, Havana Brown, Blotched Tabby, Burmese, and Domestic Shorthair. The pictures are printed on special paper that allows light to shine through. First cut the pages from the book as neatly as you can, Then color the pictures, using crayons, felt-tip pens, or paints. You ll get particularly interesting effects if you color both sides, using different colors on the backs than on the fronts. When the pictures are taped to a window, the sunlight shines through them, the way it shines through colored glass.

Reviews

This sort of pdf is everything and made me hunting forward and a lot more. It is packed with knowledge and wisdom I am just happy to inform you that this is the greatest ebook i have study within my own existence and might be he very best ebook for actually.
