LE ROYAUME DE NAVARRE A LA FIN DU MOYEN AGE: GOVERNMENT ET SOCIETE (VARIORUM COLLECTED STUDIES)

Ashgate Publishing Limited, UK, 1991. Hardcover. Condition: New. First Edition. 320 pages. Text in French. This book is concerned with the political and socio-economic history of the kingdom of Navarre in the 14th and 15th centuries. Although not large, compared with Aragon or Castille, Navarre does present a particular interest, due to its position and because the evolution of its social and political structures followed a course distinct from that in other Spanish lands. A notable instance is the positive attitude towards the Jewish population, the subject of the last group of articles. Other studies look at political life at the court and at the individual foreign policy of the ruling Evreux dynasty during the long wars of the period; they also examine, on one level, the peculiarities of its governmental and urban structures, and on the other, the careers and fortunes of some of the country's leading personalities. Throughout, the author makes extensive use of the unpublished documentation preserved in the archives of Navarre. Cet ouvrage a pour propos l'histoire politique et socio-?conomique du royaume de Navarre aux 14e et 15e si?cles. Bien que peu ?tendue, si on la compare a l'Aragon ou ? la Castille, la Navarre pr?sente un int?r?t pr?cis, de par sa position et l'?volution de ses structures sociales et politiques, qui suivirent un parcours tout ? fait distinct des autres pays espagnols. Un exemple a noter, qui fait le sujet du dernier groupe d'articles, est l'attitude positive adopt?e vis-?-vis de la population juive. D'autres ?tudes portent un regard sur la vie politique de la cour et sur la politique ?trang?re propre ? la dynastie d'Evreux durant les longues guerres de cette p?riode. Y sont aussi examin?es, d'une part, les particularit?s de ces structures gouvernementales et urbaines et d'autre, les carri?res et les fortunes de certaines...
