## VISUAL GRAMMAR

Princeton Architectural Press. Paperback. Book Condition: new. BRAND NEW, Visual Grammar, Christian Leborg, Life in the image world has made us all voracious, if not always deliberate, consumers of visual messages. Easy access to computer graphic tools has turned many of us into either amateur or professional image producers. But without a basic understanding of visual language, a productive dialogue between producers and consumers of visual communication is impossible. "Visual Grammar" can help you speak and write about visual objects..
