BRYAN THE BRAVE: THE LIGHT OF SILVER FREEDOM (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Bryan the Brave: The Light of Silver Freedom Permit the author to dedicate to the future lady of the White House the Silver Ship of State as illuminated by that harbinger of personal liberty, the invincible American Tribune - Bryan the Brave - who will lead the countless hosts of white slaves from the fathomless abyss of money despotism to the mountain heights of financial independence. If the lyric muse awakens a responsive chord in your noble consort's great, patriotic heart to direct the redeemed State Ship, as she glides on the waves of popular applause, scattering the blessings of wealth and happiness to all alike, forever free, then may she ride at anchor in the haven of universal prosperity, in the plentitude of the people's power and the plaudits of freemen in the paradise of patriotism. Within the curtained cloister of the patriot's altar, there ascends from the rhapsodist's soul, the holiest incense of unpassioned prayer, invoking the celestial muse to move the world, unseen of the world, with the electric currents of patriotism on waves of thought to every shore girdling the globe with its heaven-born influence, to be welcomed by all nations in all climes, and hailed by angels with thrills of joy.
