## Reviews

*This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.*

Dimensions: 9.0in. x 6.0in. x 0.8in.Excerpt from A Treatise on the Police of London; Containing a Detail of the Various Crimes and Misdemeanors by Which Public and Private Property and Security Are, at Present, Injured and Endangered: And Suggesting Remedies for Their PreventionThe Police of the Metropolis is a subject of great importance to be known and understood; since every innocent and useful Member of the Community has a particular interest in the correct administration of whatever relates, to the morals of the People - to the protection of the Public against depredation and fraud - and to the prevention of Crimes. It is a species of knowledge which cannot fail to force itself upon the attention; the present insecurity with regard to property, and in some instances with respect to life itself, has become a subject so truly interesting, that every information upon it must be generally desirable. With an immediate view to this particular object, the Author has submitted to the consideration of the reader, a variety of evils of great magnitude, with other specific details; which are not to be found in books, and which of course, have never been laid before the Public through the medium of the Press. It may naturally be expected, that such an accumulation of delinquency, systematically detailed, and placed in so prominent a point of view, must excite a considerable degree of astonishment, in the minds of those readers who have not been familiar with subjects of this nature. This astonishment will perhaps create a desire to investigate how far the amazing extent of the depredations upon the public stated in this Work, can be reconciled to reason and possibility. Should any doubts be entertained on this subject,...
