Are bioidentical hormones safe Do they cause cancer Are there side effects When should you begin to use them What tests are needed How can you find a doctor who will prescribe the bioidentical hormones that will work best for you Trust me -- Ive been in menopause and it was not fun. It wasnt just hot flashes. I experienced a total collapse of my health. As my ovaries stopped producing vital hormones, every system in my body rebelled. I had every symptom of menopause -- including loss of sex drive, depression, weight gain, cataracts, breaking bones -- you name it. I was even diagnosed with a serious heart condition and a deadly skin cancer. I finally collapsed into utter exhaustion, unable to do much of anything for months at a time. I felt hopeless, angry, and confused. Luckily, I got a second chance at leading a healthy life. I decided that I had to pull myself out of the severe health slump that befallen me. I started looking for answers. In my search for answers, I discovered that: My health problems were primarily caused by my hormones. My doctors knew little to nothing about helping me to heal my hormones. Following their advice and taking their toxic prescriptions would only make me sicker. The information that I needed to heal my hormones and overcome my health problems was not in books or on the internet. Instead, I turned to the experts. I began years of...
