Euripides Talks (Paperback)

By Alan Beale

Bloomsbury Publishing PLC, United Kingdom, 2008. Paperback. Condition: New. Language: English . Brand New Book. Actors of Dionysus (aod), formed in 1993 to tour Classical drama in translation and have established themselves as the leading exponents of Greek tragedy in contemporary theatre and education. With many national and international touring productions, two DVDs, a Penguin audio book of Medea and a whole series of pre-performance talks issued in their journal Dionysus , they have brought Greek tragedy to new audiences worldwide. Scholars have been generous in their support for aod, and this selection of talks on five of Euripides plays, Bacchae , Medea , Hippolytus , Electra and Trojan Women , represents but a fraction of their contribution to aod s success. Less formal than lectures, essays or articles, these talks offer sixth-form students and the general public a more accessible approach to the thoughts of some of our leading academics about this extraordinary playwright who can still capture the imagination of a twenty-first century audience. Contributors of this title include: Chris Carey, Kenneth Dover, Alex Garvie, Jasper Griffin, Richard Janko, Richard Jenkyns, Jenny March, Richard Rutherford, Richard Seaford, and Alan Sommerstein.

Reviews

I just started off reading this article publication. It is definitely simplistic but surprises in the 50 percent of your ebook. You are going to like how the author create this publication.

-- **Clint Labadie**

This pdf will never be straightforward to begin on looking at but really entertaining to read through. I really could comprehended everything out of this composed e pdf. I am just very easily could possibly get a enjoyment of looking at a composed ebook.
