

Doris TheSaurus (Paperback)

By Maria L. Corkern

AUTHORHOUSE, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Do you need help finding just the right words for your story or report? Well, Doris TheSaurus knows exactly what to do! Join Sara on a magical quest to discover this friendly dinosaur s secret. Parents and Educators: As an added bonus, there is a mini-thesaurus at the end of each book! Educational standards, as well as formal, performance-based assessments, are now in place nationwide in the language arts curriculum for writing. As early as elementary school, children are expected to use verbal and written language to communicate effectively with different audiences and for a variety of purposes, which, in part, include enjoyment, persuasion, exchange of information, and learning. A thesaurus is a vital resource that can help students meet these expectations. Writers are able to find higher-level vocabulary words that can give their writing deeper meaning. Doris TheSaurus helps elementary school students learn how to use this resource tool in a fun and easy-to-follow way.
