Treyf, 2014. Paperback. Condition: New. 2nd ed.. Language: English . Brand New Book ***** Print on Demand *****. If we could suddenly see this arranged order as it will be seen in its full functioning, it is not to be doubted that many of the Civilized would be struck dead by the violence of their ecstasy. PIG CITY MODEL FARM is a strange, amusing and disturbing book about architecture, agriculture, and utopia. About instrumental thinking and rational method versus irony and doubt as anti-method. About copronomy and building design, model farms, country-life, class status in the Chinese countryside, Ultra-Sweet Pignectar, an architect s first sexual experience, Charles Fourier, Marcel Duchamp, paranoia, poisonous fruit, and how things become their opposite. Treyf 25th Anniversary edition. treyf, adj. [Yiddish] - not kosher, unclean. Treyf Books by Rob Kovitz are unusual books of an indeterminate type, sort of story-picture montage-remix books for people who can t stomach any more schmaltzy Chicken Soup for the Soul. Treyf Books are cooked up using texts and images compiled from various sources, usually obsessively related to one or more themes, and then recombined through a process of highly subjective editing, ordering and juxtaposition. Strange and clever. - Globe Mail Funny, but deep. - Umbrella Is this a new form of discourse in step with its multivalent, chaotic times, or just an excuse for intellectual laziness? Only the author knows for sure. - Canadian Architect.
