Junkyard Mars (Paperback)

By Nb McKinney

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.NASA secrets revealed.Sex in space.Return to the Stone Ages.Cut through the BS in this scathing and penetrating expose of what could be the most glorious fraud of all time, involving governments, universities, and private corporations, with the careers and futures of so many propped up on nothing but dreams and fantasies. Mars - is passe. Manned space flight was a phase that has run its course, and henceforward is a complete waste of time - or a frivolous diversion of the idle rich, which it is quickly becoming. Our continued fascination with Mars demonstrates how we hang onto both the past, and to antiquated visions of the future. That s right - our vision of man on Mars is not futuristic, but antiquated. There are, to be sure, deeply fundamental problems with the idea of living creatures from one planet living on another. In science-fiction this may be commonplace, but reality.has rules. Has the entire world gone mad? With heart stopping clarity and unprecedented candor, author NB McKinney explores this madness, exposing the earthshaking truth about man in space, a Martian colony, space...

Reviews

This ebook may be worth purchasing. it absolutely was writtern quite flawlessly and beneficial. I discovered this ebook from my dad and i suggested this pdf to discover.
