Penguin Books Ltd, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. Point Your Face At This is a wonderfully entertaining book of cartoons and absurdity from Demetri Martin, the Perrier Award-winning comedian, and author of This Is A Book. If you want to laugh, point your face at this. In his first book, This Is a Book, Demetri Martin introduced fans and readers to his unique brand of long-form humour writing. Now Demetri returns with an eclectic volume devoted entirely to his trademark drawings and word play. Point Your Face At This contains hundreds of hilarious drawings and visual jokes, showcasing Martin's particular penchant for brevity. With a sensibility all its own, this is a great gift book and an absolute must-have for fans of the brainy, ambidextrous, comedian, palindromist (and author), Demetri Martin. Praise for Demetri Martin: Highly inventive . . . Martin is a genius Telegraph A refined sense of the absurd Guardian Demetri Martin rose to relative obscurity when he started doing stand-up comedy in New York City at the end of the 20th Century. Later he became a writer at Late Night with Conan O'Brien and then a regular performer on The Daily Show with Jon Stewart. In 2003, Demetri won the Perrier Award at the International Fringe Festival for his first one-man show, If I. He released a comedy album called These Are Jokes and then created and starred in his own television series called Important Things with Demetri Martin. Demetri has brown hair, and he is allergic to peanuts. You can find him at at on Twitter and in various places in the actual physical world.
