POCKET BOOKS, 2015. Paperback. Condition: New. Language: English . Brand New Book. Tension sizzles in this new book in the One-Eyed Jacks series by New York Times bestseller Cindy Gerard: a sexy, pulse-pounding story featuring special ops agent Jamie Cooper and a female cyber analyst as they fight for justice and fall in love. No commitments, no promises, no looking back. Those are her rules. They used to be his rules, too. Counterterrorism operative and shameless playboy Jamie Cooper has gone head-to-head with some formidable opponents, but none so quick-witted, free-spirited, and smokin hot as security analyst Rhonda Burns. She lives up to her name, all fiery passion and zero inhibitions. In the wake of a sniper attack that leaves a close friend clinging to life, the duo is pegged to undertake the One-Eyed Jacks latest security mission alone--an assignment that leads them to a top-secret desert military facility. Almost immediately, the sexual tension that has been brewing for months erupts, blindsiding Rhonda and Jamie with the intensity of their feelings. They try to play it cool, but when an elite terrorist team makes the future uncertain, they ask themselves: is it now or never?.
