You mean by introducing the same kind of grit in some hundreds of shellfish, and making the things work up a lot of fine pearls, eh, Steve Thats what. Dont you think it could be done, Max Well, Ive heard its been tried, but since the price of pearls has advanced all the while, I guess the success of the experiment wasnt so much, the other went on to say, as he bent his head down quickly to scrutinize the contents of his opened shell. Oh! gasped Steve, catching his breath. Whats the matter asked Max, his own voice as steady and calm as ever. Looky here, will you, Max-aint that a beaut, though The excited Steve managed to pluck some small object out of the opened shell he held, though his fingers trembled like the quivering leaves of an aspen. When he placed this in the palm of his hand it was seen to be a lovely little milk-white pearl, nearly half the size of a buckshot. That looks good to me, remarked Max. Just as fine as the one we lost, eh, Steve You bet it is; and well make sure no thief lays hands on this beauty, Max, replied the delighted finder of the new treasure. Now, suppose, just for luck, I took a notion to go you one better, chuckled Max. Hey! what dye mean exclaimed his chum. Have you been shaking hands with Good Luck as well as me Open up, and show what youve got. Shut your eyes, and count five, laughed Max; now look, and see what I found. My goodness gracious; why, its half again as big as...
