ANIMAL-POWERED MACHINES

Shire Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Animal-powered Machines, J.Kenneth Major, This is a book about a little known element in the history of motive power, the animal powered machine. Windmills and watermills survive in most parts of Britain, but animal-powered machines, whether vertical treadwheels or horizontal horse engines, are hardly known, despite the significant contribution they made to the history of mining and agriculture in the late eighteenth century and early nineteenth century. The development of the...
