University of Pennsylvania Press, United States, 2013. Paperback. Condition: New. New. Language: English . Brand New Book. Was there more to medieval and Renaissance comedy than Chaucer and Shakespeare? Bien sur. For a real taste of saucy early European humor, one must cross the Channel to France. There, in the fifteenth and early sixteenth centuries, the sophisticated met the scatological in popular performances presented by roving troupes in public squares that skewered sex, politics, and religion. For centuries, the scripts for these outrageous, anonymously written shows were available only in French editions gathered from scattered print and manuscript sources. Now prize-winning theater historian Jody Enders brings twelve of the funniest of these farces to contemporary English-speaking audiences in *The Farce of the Fart and Other Ribaldries*. Enders's translation captures the full richness of the colorful characters, irreverent humor, and over-the-top plotlines, all in a refreshingly uncensored American vernacular. Those who have never heard the one about the Cobbler, the Monk, the Wife, and the Gatekeeper should prepare to be shocked and entertained. *The Farce of the Fart and Other Ribaldries* is populated by hilarious characters high and low. For medievalists, theater practitioners, and classic comedy lovers alike, Enders provides a wealth of information about the plays and their history. Helpful details abound for each play about plot, character development, sets, staging, costumes, and props. This performance-friendly collection offers in-depth guidance to actors, directors, dramaturges, teachers, and their students. *The Farce of the Fart and Other Ribaldries* puts fifteenth-century French farce in its rightful place alongside Chaucer, Shakespeare, commedia dell'arte, and Moliere-not to mention Monty Python. Vive la Farce!
