Oregon State University, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. Hob Osterlund moved to Hawaii after being visited in a dream by an ancestor, Martha Beckwith, author of the monumental classic, Hawaiian Mythology. It was there, on the island of Kauai, where she happened upon a few courting albatross and felt an inexplicable attraction to the birds-an attraction too powerful to be explained by their beguiling airbrushed eye shadows, enormous wingspans, and rollicking dances. In Hawaiian mythology, ancestors may occupy the physical forms of animals known as `aum?kua. Laysan albatross-known as m?l?-are among them. Smitten with these charismatic creatures, Osterlund set out to learn everything she could about m?l? She eventually came to embrace them as her `aum?kua-not as dusty old myths on a museum bookshelf, but as breathing, breeding, boisterous realities. Albatross sport many superlative qualities. They live long-sometimes longer than sixty years-and spend the majority of their time airborne, gliding across vast oceanic expanses. They are model mates and devoted parents, and are among the only animals known to take long-term same-sex partners. In nesting season, they rack up inconceivable mileage just to find supper for chicks waiting on the islands of the Hawaiian archipelago. It is from the island of Kauai that Holy M?l? takes flight. Osterlund relates a true tale of courage, celebration and grief-of patience, affection and resilience. This is the story of how albatross guided the author on her own long journey, retracing distances and decades, back to the origin of a binding bargain she struck when she was ten years old, shortly after her mother s death. Holy M?l? is a natural history of the albatross, a moving memoir of grief, and a soaring tribute to ancestors. Within its pages are lyrics of wonder-for freedom, for beauty, and...
