Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Spanish With or Without a Master: A Thorough and Easy Course for Self-Instruction or Schools; Part I Spanish d104, Part II English Explanations By editing this work we do not, of course, mean to contradict our opinion, so frequently expressed and defended, that in schools where languages are taught by native instructors and where classes are small, it is far better to avoid all translation and to learn the pronunciation from the teacher; for even the best system of representing the sounds of one language in another is always more or less imperfect. Consequently, we advise such schools not to employ this book, but the regular Berlitz method only, containing no English whatever. The key to all exercises contained in this book is published separately. Price. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
