Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A SENSIBLE DIMENSIONAL BUTTERFLY is a collection of short stories and poetry I have written over the last 35 years. Much of the poetic material was written spontaneously, usually due to an incident in my life. The remainder i.e. short stories, are mainly products from when I was completing a Bachelor of Arts Communications degree at University of Newcastle NSW, Australia. As I was majoring in Creative Writing I was required to put together a portfolio of written work. The remaining short stories are products of ideas that often spring to mind. I write quite diverse genres therefore the reader should be entertained and hopefully enjoy my little book of muse.
