

My Path to Heaven on Earth (Paperback)

By Bill Clarke

Xulon Press, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Bill Clarke suffered a stroke in 2005 that resulted in serious brain damage and left him paralyzed on the left side. Due to the stroke he lost his executive position with a major drug chain and eventually lost all his wealth including two homes. They say God opens a window when a door closes. He joined a bible study group at his church and found that God had given him a new gift of interpreting scripture. This led to his discovery of his KEYS TO H.O.P.E. that helped in deal with the blows life had sent him. This would be a good book for anyone facing hardships to read, but especially stroke survivors. Bill Clarke has produced beautiful and meaningful reflections concerning faith and God s assistance in dealing with the adversities that confront our lives. His approach to life after a life changing stroke is an inspiration for everyone looking to find a source of hope. Bishop Guglielmone.
